

Declaration on export restrictions

Ladies and gentlemen:

Exported and re-exported goods are subject to the applicable German, European and US regulations.

It is not possible for organizational reasons to analyze and record general information in your quotations, order confirmations, invoices and shipping documents. Therefore we kindly ask you to complete the enclosed form "Declaration on export restrictions". In case a product is not registered in any of the below-mentioned Lists, please leave the relevant data fields blank. The form has to be signed and sealed even none of the products is registered and shall be attached to your Order Confirmation.

- 1. For German Suppliers:** Is an **official approval in accordance with the German law** required and is the product registered in the "Deutsche Ausfuhrliste"? If such an approval is required, please tell us under which export list item number the product is registered.
- 2. For German and EC-Suppliers:** Is an **official approval in accordance with EC law** required and is the product registered in the attachments of the EC Dual-use Regulation? If such an approval is required, please tell us the item number under which the product is registered.
- 3.** Is an **official approval for re-exportation in accordance with the US law** (Export Administration Regulations) required? If such an approval is required, please tell us under which ECCN (Export Control Commodity Number) of the CCL (Commodity Control List) the product is registered.

If the product is not exported for the first time, you know the **ECCN**. In such cases it is also known for which countries a license is required and which exceptions with regard to licenses are possible for this product.

If you yourself are not in a position to find out the ECCN, the ECCN must be applied for at the "Bureau of Industry and Security". For this purpose you must make a written application on the US form BXA-748P.

For instructions how to fill in the form refer to the cover sheet of the application form or to the Internet address: <http://www.bis.doc.gov/>.

- 4.** Please tell us the applicable **Statistical product number (HS-Code)** of the product.
- 5.** Please inform us about the percentage of included **US-parts** in your product: no US-percentage / lower 10 % / lower 25 % / higher 25 %
- 6.** Please tell us the applicable **Country of origin** of the product (Remark "EU" is not sufficient).
